Reminder: We acknowledge that as parents you are the primary teacher for your children, therefore, your interest and regular discussions with your children about what they are doing in their class is important. Your child's faith formation begins at home and their parish formation classes are provided as supplemental support for what you do at home to engage and educate your children in their Catholic faith.

***Volunteer teachers are always needed.**

For more information, please call the Director of Religious Education at the parish office.

Your Email address is another way for us to notify you if classes are canceled due to inclement weather. Please call our DRE at the office with any changes to your Email address or phone numbers.
